

**Destination Imagination is a creative problem solving competition that has teams in a variety of areas, including all STEM areas.**

**SSMS has 5 DI teams with 7 students on each team. In order to be on a team, you have to complete a DI Try Out Challenge and be scored.**

**DI Try Out Challenge Packets will be available starting September 12 in my (Ms. Howard's) room, 1201.**

**Interested students should swing by my room to visit with me and pick up a challenge packet.**

**Challenges are due on October 8th before 1st period.**

**A PARENT meeting to explain the challenge will be held on Wednesday, September 12th at 4pm in the SSMS library. Any interested parents or students are welcome to attend.**

**Looking forward to a great DI season!**

**Brooke Howard**

**DI Coordinator**
