

## Dress and Grooming (All Grade Levels)

The district's dress code is established to teach grooming and hygiene, prevent disruption, and minimize safety hazards. Cleanliness, neatness, appropriateness, modesty, and effect on the learning environment are criteria that should dictate the student's choice of school dress and grooming on any given day.

A student is not appropriately dressed if he/she is a disturbing influence in class or school because of his/her mode of dress. In addition to the examples of unsuitable school dress and grooming listed below, **the principal will make the final determination on any other dress or grooming issue that may arise.**

Dress and grooming standards for participation in extracurricular activities may be more restrictive than the standards listed here. The applicable coach, sponsor, or director shall make the final determination regarding any heightened standard that may apply.

If an administrator determines that a student’s grooming or clothing violates the school’s dress code, the student will be given an opportunity to correct the problem at school. If the problem is not corrected, the student may be assigned to in-school suspension for the remainder of the day until the problem is corrected, or until a parent or designee brings an acceptable change of clothing to the school. Students will not be allowed to leave campus to correct a dress code violation. Repeated offenses may result in more serious disciplinary action in accordance with the Student Code of Conduct.
