

# SSHS-PJC ARTICULATED COLLEGE COURSE CREDIT

Paris Junior College will grant credit to SSHS students completing certain CTE courses in HS. The guidelines for obtaining FREE college credit are described below:

1. Must meet all college admission requirements.
2. Must have graduated from high school on the Recommended Graduation Plan or Foundation High School Plan with an Endorsement.
3. Must select and have an approved college AAS or Certificate Degree Plan on file with PJC.
4. Must have completed the specified high school course(s) with a minimum grade of 80.
5. Must be currently enrolled at the college and have completed twelve (12) semester hours of credit (which can include dual credit/concurrent credit coursework taken in high school).
6. Request for college credit to be awarded for the articulated courses with fifteen (15) months from the date of high school graduation.
